

003.Cadastro de terminais IPG (E-commerce) no MCS

Para todos os terminais IPG é necessário realizar o cadastro do Store ID no MCS, somente a partir deste cadastro será possível realizar transações.

Terminal IPG - Habilitação MCS - Criando o Store ID

MCS

1) Acessar o MCS e logar

2) No menu do lado esquerdo acesse “Merchant Case > Search Merchant”, use um EC já cadastrado como “base” para o seu cadastro e clique no botão “Search”

Obs.: sempre informe o número “27” e na sequência o número do EC
