

005.Habilitação de Serviços

Esta habilitação é realizada para ativar no EC serviços que não tenham sido ativados durante o processo de credenciamento, serviços como extrato EDI, terminais que não conseguimos habilitar durante o processo de solicitação de ativação de terminais (sendo estes cadastrados para a instituição / service contract) e outros.

- 1) No Bankworks acessar a tela "Merchant Service Record"
- 2) Clicar no botão "FIND" e realizar uma busca pelo EC
