## MCS - Configuração de Hierarquia

Link: <https://test.ipg-online.com/mcs>

Após ter realizado a criação do Store ID, precisamos criar a amarração do Node ID

Localize o EC Master.

Start

[▼ Merchant Care](#)

Search Merchant

[New Merchant](#)

## Transactions

## Logging

## Certificates

[DE](#) [EN](#) [PT](#) [ES](#)

## Search Merchant

## Information

No data found for given search criteria

Store Id	22270013
Legal Name	
Reseller	
Terminal Id	
Merchant Id	
Node Id	
Open Date	

Search

Após localizar, escolha a opção Hierarquia.
